SMART Moves Program

The Strategic Miami Area Rapid Transit (SMART) Plan is advancing six rapid transit corridors, along with a network system of Bus Express Rapid Transit (BERT) service, to implement mass transit projects in Miami-Dade County.

The SMART Moves Program supports the SMART Plan with your ideas in the areas of: transit improvements, bicycle, pedestrian, on-demand responsive connections to improve your commute, self-driving vehicles and other projects to improve mobility, safety and access in our community.

Please provide information for these questions regarding your SMART idea. Please respond by March 15, 2019, at 5:00 p.m.

Follow-up calls and/or emails may be conducted by the Miami-Dade TPO to obtain additional information about your idea.

Thank you for your response!
