FLORIDA PROFESSIONAL ENGINEER/AMERICAN INSTITUTE OF CERTIFIED PLANNERS CREDITS AVAILABLE

Florida Professional Engineers (P.E.) and members of the American Institute of Certified Planners (AICP) are eligible to earn up to 10.75 PDHs/AICP Credits for attending both days of the 2024 Safe Streets Summit as follows:

- General Sessions on February 29 - 5.25 PDHs/AICP credits
- Mobile Tours on March 1 - 3 PDHs/AICP credits
- In-person Workshop on March 1 - 2.5 PDHs/AICP Credits

Please check with the registration desk for more details. Thank you to the American Planning Association, Florida Chapter, Gold Coast Section for their assistance.

PEOPLE'S CHOICE AWARD

Vote for the Best Complete Streets Project! Learn more about each project at <https://miamidadetpo.org/safe-streets-award.asp>. In-person voting will take place for the People's Choice Award at 12:30 pm in the Grand Ballroom. To vote, visit [slido.com](https://www.slido.com) and enter event code **SSS2024**.

WIFI INFORMATION

Network: **ICConnect** | **Access Code:** **Miami2024**

2024 Safe Streets Summit is a collaboration between Miami-Dade TPO, Broward MPO, and Palm Beach TPA.

WHAT ARE WE DOING?

Miami-Dade Transportation Planning Organization (TPO) **MiamiDadeTPO.org**

The Strategic Miami Area Rapid Transit (SMART) Program continues to revitalize Miami-Dade County's transportation system by advancing rapid transit corridors to accomplish objectives of delivering a safer, cleaner, more efficient, and connected system. TPO's SMART Demonstration projects continue to complement the SMART Program. The program includes a mixture of federal, state, and local funding and has successfully funded 46 new mobility projects, exceeding 9.1 million riders since the program's inception. TPO is also implementing the award-winning SMART Street Transportation Enhancements Program (STEP) to facilitate interagency coordination, innovation, and accelerated implementation of bicycle/pedestrian improvement projects that increase connectivity and enhance safety. TPO also continues to pursue the Urban Air Mobility (UAM) and Connected Autonomous Vehicle (CAV) spaces by releasing a UAM Study and actively participating in statewide and local UAM and CAV working and study advisory groups, respectively. Finally, "TPO on the Go" short video series continues with live on-camera interviews during public outreach events, highlighting comments and concerns from the traveling public, as well as responses from partner agencies.

Broward Metropolitan Planning Organization (MPO) **BrowardMPO.org**

The past year, Broward MPO, in partnership with Broward County, was awarded a \$5 million Safe Streets and Roads for All (SS4A) grant from the United States Department of Transportation (USDOT) to develop a comprehensive Safety Action Plan to establish a countywide Safe System Approach. The Plan will provide a clear path to reduce traffic fatalities and severe injuries by developing alternatives, recommendations, and strategies to address safety. Broward MPO continued with the implementation of \$400 million investment in Complete Streets. Thirteen projects (totaling \$50 million) were completed, adding 28 miles of multimodal facilities. Additionally, five projects (totaling \$21.4 million) funded through a TIGER federal grant were completed, adding another 9 miles to

the network. A further noteworthy effort, Broward MPO facilitated the creation of Metro Transportation Engineering & Construction Cooperative (MTECC) to assist partner municipalities with the planning, design, and construction of transportation related projects. Broward MPO is committed to continue creating a future where the transportation landscape is enhanced, improved, and sustainable, fostering a community that benefits everyone.

Palm Beach Transportation Planning Agency (TPA) **PalmBeachTPA.org**

The Palm Beach TPA continues to prioritize Complete Streets projects and initiatives towards its vision of a safe, efficient, and connected multimodal transportation system. In 2023, the Town of Lake Park and City of Westlake adopted Vision Zero Resolutions for a total of 13 municipalities committing to zero traffic-related deaths and serious injuries. The Cities of Westlake and Boca Raton also adopted Complete Streets Policies. Multiple roadway safety audits identified pedestrian and bicycle improvements including those on local streets, and at a recently constructed Diverging Diamond Interchange. Over the next five years, approximately \$90 million has been programmed for active transportation improvements, and nearly \$30 million for transit, including new shelters, transit signal priority, and electric buses. The first separated bicycle lanes on both state and county roads are under construction. Finally, the TPA has led multiple forums on Vision Zero, Complete Streets, Transportation and Land Use, and Transit Oriented Development to advance policy initiatives.

LOCAL OFFICIALS

HONORABLE DANIELLA LEVINE CAVA
MAYOR, MIAMI-DADE COUNTY

Daniella Levine Cava was elected Miami-Dade County's first-ever woman Mayor in November 2020. She enters the Mayor's office following a 40-year career as a relentless advocate for South Florida families in public service and elected leadership. Mayor Levine Cava's administration is focused on building a stronger, more inclusive, more resilient Miami-Dade: prioritizing reforms to make our county safer and prevent gun violence through the Peace and Prosperity Plan; restoring and reinvigorating a thriving economy that delivers economic security for Miami and attracts new industries; saving Biscayne Bay and building and directly engaging with residents to make local government more accountable.

HONORABLE ESTEBAN BOVO, JR.
CHAIRMAN, MIAMI-DADE TPO &
MAYOR, CITY OF HIALEAH

In 2021, Esteban Bovo, Jr. was elected City of Hialeah Mayor, and in 2023 elected Miami-Dade TPO Governing Board Chairman. Prior to being Mayor, he served as Miami-Dade County Commissioner representing District 13, and BCC Chair for the 2017-2018 term. During his tenure, he established a Chairman's Policy Council to address several key issues including mass transit expansion funding, sea level rise, and housing affordability, etc. Chairman Bovo also served as State Representative for District 110 from 2008-2011 where he was elected Hispanic Legislative Caucus Chairman and Chair of the House Committee of Business Regulation. Chairman Bovo was born in Queens, New York and has been a proud resident of Miami-Dade County for over 47 years.

LOCAL OFFICIALS

HONORABLE RAQUEL A. REGALADO GOVERNING BOARD MEMBER, MIAMI-DADE TPO

Miami-Dade TPO Board Member Raquel Regalado also serves Miami-Dade County's 7th District on the Board of County Commissioners. She is a strong advocate for disabled children and adults, housing, seniors, fixing school facilities and transportation. In 2010, she ran for and was elected to the Miami-Dade County Public School Board (M-DCPS). Ms. Regalado is admitted to practice law in Florida state courts and in the United States District Court for the Southern District of Florida. She has focused on corporate litigation, real estate, asset valuation, and intellectual property. She earned a Juris Doctorate degree from St. Thomas University School of Law, a B.A. from Florida International University, and attended Miami-Dade Community College Honors and Coral Gables Senior High.

AILEEN BOUCLÉ, AICP EXECUTIVE DIRECTOR, MIAMI-DADE TRANSPORTATION PLANNING ORGANIZATION (TPO)

Aileen has been leading the charge, along with the Miami-Dade TPO Governing Board, to provide mobility choices for the residents of Miami-Dade County through the local transportation planning process, and more specifically the Strategic Miami Area Rapid Transit "SMART" Plan. She serves on the Affordable Housing Trust Fund Board, The Underline Board of Directors, and the National Association of Regional Councils' Executive Director's Council. Aileen holds a Master of Science in Environmental and Urban Systems, with a specialty in transportation planning, and a Bachelor of Business Administration from Florida International University. She is also a Certified Professional Planner with the American Planning Association Institute of Certified Planners.

EMBRACING **BICYCLE & PEDESTRIAN** MOBILITY

WELCOME

Dear 2024 Safe Streets Summit Attendees,

On behalf of the Miami-Dade Transportation Planning Organization (TPO), we welcome you to the 2024 Safe Streets Summit themed “Embracing Bicycle and Pedestrian Mobility” in southeast Florida. The Summit is the largest event in the region dedicated to complete streets, active transportation, and creating livable communities. Miami-Dade TPO, together with our partners at the Broward Metropolitan Planning Organization (MPO) and the Palm Beach Transportation Planning Agency (TPA), have prepared an outstanding program filled with speakers and engaging activities that will both educate and inspire you to embrace bicycle and pedestrian mobility.

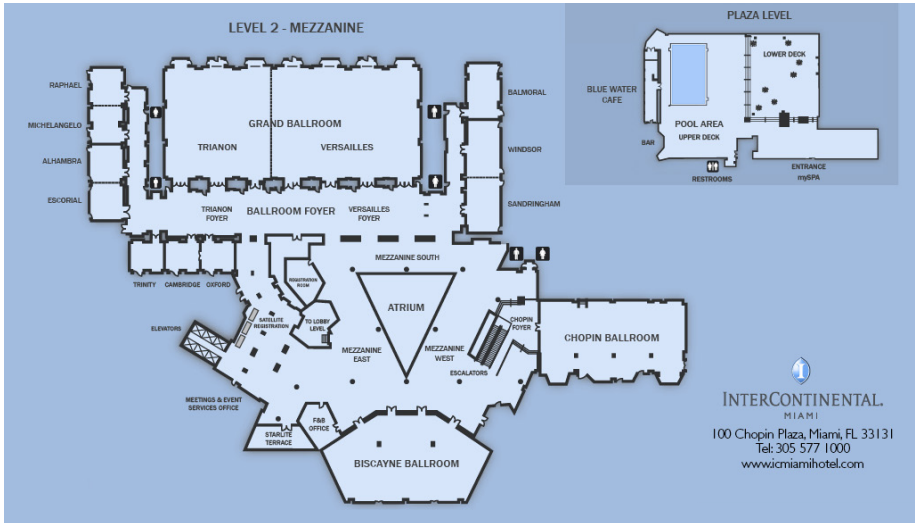

It is an honor to showcase our accomplishments as well as share our vision of a connected transportation system, especially as it relates to bicycle and pedestrian movements. The SMART Program corridors, transit-oriented community developments, and first/last mile connections continue to advance, transforming Miami-Dade County and the region into a premier destination with world class transportation mobility options. Since 2018, a total of 46 SMART Demonstration Program projects have been approved by the Miami-Dade TPO Governing Board focusing on developing and expanding the first/last mile network to existing and future SMART Program transit stations. Additionally, SMART STEP (Street Transportation Enhancements Program) continues to facilitate interagency coordination, innovation, and accelerate implementation of pedestrian and bicycle improvement projects that increase connectivity and enhance safety.

We continue taking SMART steps to provide connected places where people live, work, and play. This Summit is an opportunity for the Southeast Florida region to come together to exchange ideas as well as enjoy the dynamic culture and community of Miami-Dade County. Thank you for attending and participating in making this a successful 2024 Safe Streets Summit.

Honorable Esteban Bovo, Jr.
Miami-Dade TPO
Governing Board Chairman

Aileen Bouclé, AICP
Miami-Dade TPO
Executive Director

4:00 pm – 5:30 pm	<p>Social Hour & Networking</p> <p>Mezzanine East Pop-up Park</p>

MOBILE TOURS

As part of the 2024 Safe Streets Summit, multiple interactive Mobile Tours will be conducted on March 1, 2024. The goal of the tours is to provide participants with an opportunity to experience, first-hand, infrastructure that has been built throughout Miami-Dade County to provide safe multimodal streets. Each tour will highlight different parts of Miami-Dade, emphasizing current and planned transportation with built environment efforts including walkability, bikeability, micromobility, economic development, livability, and access to transportation options. Local experts and community representatives will provide insight and relevant information about a variety of projects and current efforts, focusing on outcomes and lessons learned. Each of the Mobile Tours will begin and conclude at InterContinental Miami hotel. Comfortable attire and shoes are highly recommended for all Mobile Tour participants.

Exploring the Underline & Hidden Gems Tour: Biking and Walking through Brickell and Vizcaya Neighborhoods

- Time: 9:00 a.m. to 12:00 p.m. (Check-in at 8:30 a.m.)
- Location: Begins and ends at InterContinental Miami Hotel
- AICP CM Credits: 3
- PDHs: 3
- Duration of Tour: 3 hours
- Mode: e-bike, Metromover, Walking
- Skill Level: Intermediate

Set out on an exclusive bike/ped/transit tour through Brickell, The Underline, and beyond. Join tour host Patrice Gillespie-Smith of the Underline and co-hosts from the City of Miami, as they provide an in-depth look at the evolution of bike/ped features in an urban landscape, right through the heart of Miami. This adventure begins with a walk from the InterContinental Miami Hotel and continues with a short ride on the Metromover to the Brickell Station, where attendees will use eBikes, powered by Citi Bike, to embark on a unique exploration of Miami's vibrant shared-use paths. Guests will cruise down The Underline, cross the Vizcaya Pedestrian Bridge to Alice Wainwright Park overlooking Biscayne Bay, and return to Brickell Station. A walk to the new pedestrian scramble in Brickell, followed by a Metromover trip back to the hotel will give guests an all-inclusive mobility experience, seamlessly combining picturesque biking, pedestrian exploration, and public transit. Don't miss the opportunity to be part of this limited-capacity tour, where every moment is a discovery in a dynamic cityscape.

MOBILE TOURS

From Rails to Wheels Tour: South Dade TransitWay & Area Transit Oriented Developments (TOD)

- Time: 9:00 a.m. to 12:00 p.m. (Check-in at 8:30 a.m.)
- Location: Begins and ends at InterContinental Miami Hotel
- AICP CM Credits: 3
- PDHs: 3
- Duration of Tour: 3 hours
- Mode: Metromover, Metrorail, Metrobus
- Skill Level: Beginner

Hop on board the TOD train and immerse yourself in the evolution of the Strategic Miami Area Rapid Transit (SMART) Program, where tour guests will experience firsthand mass transit connectivity and land use developments in southeastern portions of Miami-Dade County. Embark on a guided tour hosted by Alex Barrios from Miami-Dade County Department of Transportation and Public Works (DTPW) and Jerry Bell from Miami-Dade Regulatory and Economic Resources (RER). They will kick-off the day at InterContinental Miami Hotel, board the Metromover, and head to Government Center, where the group will board Metrorail and view various TOD elements along the way including tour stops at the Douglas Road and Dadeland South Metrorail Stations. The adventure continues as guests board a Metrobus and explore the South Dade TransitWay, with stops at key facility elements to explore connectivity at intersections and Park & Ride lots. Guests will journey back to the Dadeland South Metrorail Station for their return trip back to the InterContinental Miami Hotel. This tour promises to be an enlightening exploration of the evolution of South Miami-Dade's TODs both on rails and wheels!

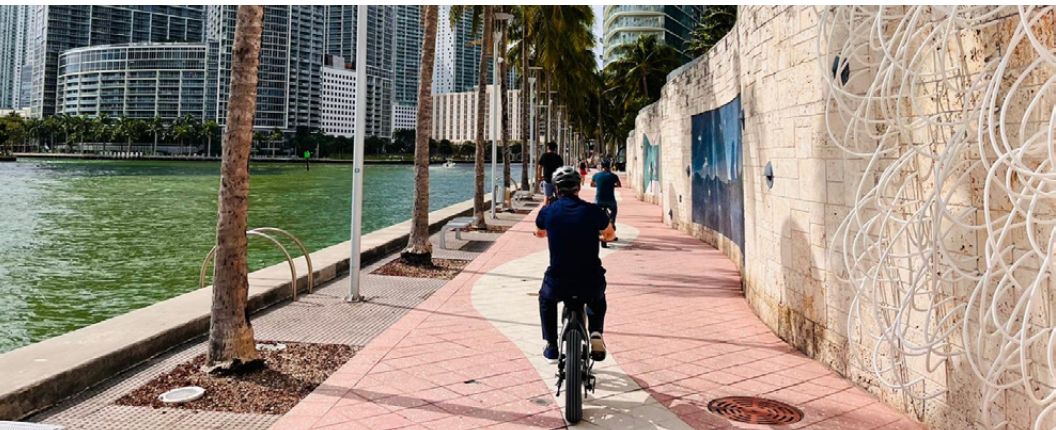

MOBILE TOURS

SOBE Bike Tour: Cruisin' Miami Beach for a Deep Dive into Bike and Ped Features

- Time: 9:00 a.m. to 12:00 p.m. (Check-in at 8:30 a.m.)
- Location: Begins and ends at InterContinental Miami Hotel
- AICP CM Credits: 3
- PDHs: 3
- Duration of Tour: 3 hours
- Mode: Bike, Bus, or Trolley
- Skill Level: Beginner

Pack your bags and take a trip to sunny South Beach, a.k.a., SOBE, to explore beyond its iconic beaches and glamorous scenery via a vibrant bike ride and walking tour sponsored by Citi Bike and the City of Miami Beach. The fun starts at the InterContinental Miami Hotel where guests will take a short walk to the Metromover and ride to the Omni Station. From there participants will enjoy a beautiful bike ride along the historic Venetian Causeway with key stops to view the latest bicycle and pedestrian features including separated green bike lanes, road armadillos, as well as learn about the planning behind making the Causeway and City a more connected network for all road users. The excursion continues with a bus tour around SOBE and walking tour along Ocean Drive for a deeper dive into the installation of pedestrian promenades and shared use paths. After a brief walking tour and bus ride back to the Causeway, the experience concludes with a casual bike ride back over Venetian where guests will return via the Metromover or Freebee back to the hotel. Don't miss this enriching scenic tropical day trip!

IN-PERSON WORKSHOP

Gil Penalosa In-person Workshop: Embracing Bike and Ped Mobility!

- Time: 1:00 p.m. to 3:30 p.m. (Check-in at 12:30 p.m.)
- Location: InterContinental Miami Hotel (add room here)
- AICP CM Credits: 2.5
- PDHs: 2.5
- Duration of Tour: 2.5 hours
- Mode: Seated
- Skill Level: Beginner

Immerse yourself in this interactive workshop hosted by the 2024 Safe Streets Summit Keynote Speaker Gil Penalosa. This workshop will provide a unique opportunity to delve into visionary discussions and learn steps for shaping the future of urban living; one that embraces a bicycle and pedestrian way of life. Mr. Penalosa will share insights in transformative urban development as well as present profound case studies for creating vibrant and inclusive communities. Secure your spot for an afternoon of inspiration and valuable perspectives.

RESCHEDULED MOBILE TOUR

March 8, 2024 | Bike305 “Bike to Work Day”

- Time: 7:00 a.m. - 9:00 a.m.
- Location: Begins at Crandon Park Marina, 4000 Crandon Blvd, Key Biscayne, FL 33149, and ends at Government Center, 111 NW 1st Street Miami, FL 33128
- Contact: kawaler@miamidade.gov

Change up your routine to go on an exciting cycling adventure for Bike 305's Bike to Work Day. This free two-hour experience beckons you to navigate the lively streets of Miami, immersing yourself in the liberating world of commuting on two wheels. Bring your own bike (BYOB), don your helmet, and discover the city's vibrant energy in a fresh and invigorating light. As an added thrill, a special appearance is anticipated by the legendary 3-time Tour de France winner, Greg Lemond. This event is more than just a ride, it's an opportunity to connect with fellow cyclists, enjoy the urban landscape, and become an integral part of Miami's dynamic biking community.

EMCEE & GUEST SPEAKER

EMCEE
JAWAN STRADER
NEWS ANCHOR, NBC 6

Jawan Strader is a 6 TIME Emmy award-winning journalist, co-anchoring NBC 6 news with Jackie Nespral and Trina Robinson. He also hosts “Voices with Jawan Strader” dedicated to the black community and the disenfranchised. He brings more than 30 years of experience in journalism, covering some of the most impactful stories that have touched South Florida and the country. He is a graduate of Indiana University. Please welcome our EMCEE this morning, Jawan Strader.

GUEST SPEAKER
SARA STUDDARD
PARTNER, CITY THREAD

Sara is a partner at City Thread, a national, non-profit organization working to connect people and communities. She is a communications and community engagement professional with 15 years of experience leading capacity-building and storytelling initiatives grounded in equitable and inclusive practices that value people and their communities. Sara’s passion is working with stakeholders as she guides organizations to use their resources for growth and good. Prior to co-founding City Thread, she was Director of Local Innovation at PeopleforBikes, leading local programs and managing the Final Mile: where Austin, Denver, New Orleans, Pittsburgh, and Providence constructed 335 miles of new, safe, and connected bikeways – moving projects from concept to completion in only 24 months. They are now on pace to fully build their planned networks 25 years earlier than expected. She is recognized as a national leader for her ability to launch campaigns, build programs, and raise funds that support resident-led mobility, urban planning, and public space activations.

KEYNOTE SPEAKER

KEYNOTE SPEAKER

GIL (GUILLERMO) PENALOSA,
MBA, PHDHC, CSP

FOUNDER & CHAIR, 8 80 CITIES; FOUNDER, CITIES FOR EVERYONE; PRESIDENT, GIL PENALOSA & ASSOCIATES

Gil Penalosa is passionate about cities for all people. He advises decision makers and communities worldwide on how to create vibrant cities and healthy communities for all, regardless of age, gender, ability and social, economic, or ethnic background. His focus is on the design and use of parks and streets as great public places, as well as the promotion of sustainable mobility: walking, riding bicycles, using public transit, and new use of cars. Because of Gil's unique blend of experience, pragmatism, and passion, many cities and organizations worldwide seek his leadership and valuable advice. He has worked in over 350 cities on all continents. In 2022 Gil ran for mayor of Toronto. In 100 days, he obtained 100,000 votes, and changed the conversation, which was his objective. He came in second of 31 candidates. His focus was on how to create an affordable, equitable, and sustainable city, a Toronto for Everyone. Gil is the Founder and Chair of the successful Canadian non-profit organization 8 80 Cities. In addition, Gil is founder of Cities for Everyone and leads a private consulting firm, Gil Penalosa & Associates, providing services as an inspirational keynote speaker, instructor of Master Classes, and advisor to decision makers and communities. Currently Gil is an academic chair at the Norman Foster Institute for Sustainable Cities, as well as Expert Advisor to the International Society for Urban Health. For years he was advisor to the Vision Zero Network, America Walks, Gehl Architects, and Project for Public Spaces, amongst many organizations. Throughout his career, Gil has been a strong advocate for improving city parks, making his first mark in Bogotá, Colombia, where he led the design and construction of over 200 parks - including Simon Bolivar, a 113-hectare park in the heart of the city. His team also radically transformed the Ciclovía / Open Streets - from a program of few kilometers to one that sees over a million people walk, run, and bike along 121km/ 75 mi of Bogotá's roads every Sunday of the year, and today is internationally recognized and emulated.

Gil was elected twice as chair of World Urban Parks and was its first ambassador. He holds an MBA from UCLA's Anderson School of Management, where he was selected as one of the "100 Most Inspirational Alumni" in the school's history. Gil received a Doctorate Honoris Causa from the Faculty of Urban Planning at the prominent Swedish university, SLU. He received in Australia the World Urban Parks Annual Distinguished Individual Award. In 2023 Gil was selected by Identity Review in the 15 Thought Leaders in Sustainable City Development and voted to Planetizen's Top 100 Most Influential Contemporary Urbanists, at #13.

PLENARY SPEAKERS

STEVEN C. BRAUN, P.E.
SECRETARY, FDOT DISTRICT FOUR

Steve began with FDOT in 1994 as a Professional Engineer Trainee. Holding two key department head positions, he exhibited exceptional leadership, shaping strategies that fueled transportation development. With his recent appointment as District Secretary, he is now at the helm of a team of 625 dedicated FDOT employees responsible for the execution of a \$6 billion transportation work program across Broward, Palm Beach, Martin, St. Lucie, and Indian River counties. Steve is a graduate of Clemson University and a registered Professional Engineer as well as a Certified Public Manager.

JOSE CLAVELL, P.E.
VICE PRESIDENT OF TRANSPORTATION, EXP US SERVICES

Jose oversees practices in systems planning, traffic operations, planning, safety, ITS, NEPA, modal development, design, grants and project compliance, and communications. He believes that as transportation professionals we must provide a platform for communities to have a seat at the decision-making table to attain an inclusive, broader perspective that aligns transportation improvements with community needs. Jose has been instrumental in the creation of a public outreach/community engagement practice comprised of 4 main groups: digital products, graphic design, innovative technologies, and logistics.

HONORABLE JOSEPH M. CORRADINO, AICP
PRESIDENT, THE CORRADINO GROUP, INC.

As President of The Corradino Group, Joe heads the company's urban planning operations, focusing on policy, land use, and transportation. He works with local governments as a planning transportation advocate to create comprehensive plans, zoning codes, and transportation master plans. Joe understands what it takes to be successful in this arena, where government oversees land-use decisions and transportation mandates. He is also Honorable Mayor of Village of Pinecrest. Joe has a perspective few consultants possess.

PLENARY SPEAKERS

MEG DALY FOUNDER & PRESIDENT, FRIENDS OF THE UNDERLINE

Meg is transforming the underutilized land below Metrorail into a 120-acre linear park, urban trail spanning 10-miles in the urban core. A 30-year sales and marketing veteran, she owned First Media Direct, a target marketing company serving the broadcast television industry. Meg has a BA in English from Vanderbilt University and has served on numerous philanthropic boards. She serves as Chair of The Underline Conservancy responsible for the maintenance, management, and programming of The Underline as a world-class trail and park facility.

UYÊN DANG, P.E. FOUNDER AND PRINCIPAL, DDEC

Uyên helps local governments achieve goals through the creation of connected, safe, equitable communities. Clients include local governments, private developers, and engineering firms across Florida. Prior to establishing DDEC, she served as Traffic Engineer for City of West Palm Beach where she spearheaded the City's Bicycle Master Plan, Palm Beach County's first Vision Zero program, smart parking technology, and mobility and shared mobility programs. Uyen is the founder of FloridaBicycleMonth.com. She holds a B.A. in Science in Civil Engineering from University of South Florida.

CARLOS GÁMEZ SENIOR CUSTOMER SUCCESS SPECIALIST, STRAVA METRO

Carlos Gámez, Senior Customer Success Specialist at Strava Metro, specializes in spatial data analysis. With a background in managing and analyzing spatial data for diverse industries, Carlos is committed to improving global bike and pedestrian infrastructure. Through collaborations with transportation researchers, urban planners, and policymakers, he works to align data with organizational objectives, fostering positive change worldwide.

PLENARY SPEAKERS

TIFFANY GEHRKE
STATE COMPLETE STREETS COORDINATOR,
FDOT CENTRAL OFFICE, ROADWAY DESIGN OFFICE

Tiffany has been the FDOT State Complete Streets Coordinator since April 2022. Prior, she was District Six Complete Streets Coordinator, ADA Coordinator, Bicycle/Pedestrian Coordinator, and SUN Trail Coordinator in Miami-Dade County. Prior to joining FDOT, Tiffany worked for CTS Engineering, Inc. and acted as the First Mile/ Last Mile Planner for South Florida Commuter Services. She has a master's degree in Urban and Regional Planning from Ball State University and bachelor's degree in Economics and Mathematics from Indiana University.

ALINA T. HUDAK
CITY MANAGER, CITY OF MIAMI BEACH

Since Alina's appointment as City Manager in May 2021, she has overseen a dramatic resurgence in the City's tourism and hospitality sectors. She has been instrumental in the City's strong credit ratings by investing in aging infrastructure and adapting to sea level rise. Her administration is implementing a transformational, voter-led \$159 million GOB to fund an unprecedented expansion of City museums, theaters, and public performance venues while simultaneously expanding public safety and instituting a collaborative approach to better manage the homeless population.

ERIC KATZ, AICP, PMP
PROJECT MANAGER, MARLIN ENGINEERING, INC.

Eric is an award-winning planner and project manager with over 16 years of experience in the urban and transportation planning field. He leads Marlin's Orlando office focusing on solutions related to micro mobility data collection, management, and analysis. He currently serves as Project Manager and prime consultant of FDOT's statewide Traffic Monitoring Program (TMP) contract. Eric has a bachelor's degree in Anthropology and History from Florida International University and a master's degree in Urban and Regional Planning from Florida Atlantic University.

PLENARY SPEAKERS

STACY L. MILLER, P.E.
SECRETARY, FDOT DISTRICT SIX

Stacy has worked for FDOT since 1991, beginning as a Professional Engineer Trainee in District Four. In April 2015, she was promoted to the District Four Director of Transportation Development. In April 2019, she was promoted to Assistant Secretary of Finance and Administration. In March 2021, Stacy took on the role of District Six Secretary where she oversees the planning, design, construction, maintenance, and operation of the State Highway System in Miami-Dade and Monroe Counties. A graduate of the University of Florida, Stacy holds a BSCE and is a registered Professional Engineer in the state of Florida.

JEREMY MULLINGS, AICP
**PROJECT DIRECTOR, SOUTH FLORIDA
COMMUTER SERVICES**

Jeremy is an American Institute of Certified Planners (AICP) certified Transportation Planner with over 23 years of neighborhood, urban and transportation planning experience. He has worked extensively in mass transit, transportation demand management (TDM), seaports, supply chain, and the federal metropolitan planning process. Jeremy graduated from FAU with B.S. degrees in International Business and Trade and Marketing. He is currently the Project Director for South Florida Commuter Services, one of the country's largest Transportation Demand Management programs.

HONORABLE MICHAEL J. RYAN
MAYOR, CITY OF SUNRISE

Mayor Ryan was first elected Mayor of Sunrise in August 2010. He is an appointed member of the Broward County Regional Planning Council; Chair of the Broward County Consolidated Communications Committee (regional emergency 911 communications); and co-Chair of the Communications Working Group for Strengthening Police-Community Relations. Mayor Ryan has received awards for his work in the community and is a frequent author regarding matters of public importance. Mayor Ryan is also a lawyer who is president and founder of Michael J. Ryan, P.A.

PLENARY SPEAKERS

JAMES R. SEBASTIAN, AICP
SENIOR PLANNER, TOOLE DESIGN

James has 25 years advancing active transportation in the Washington, DC area. He manages projects including trail planning and design, bike network planning, and pedestrian safety and placemaking. Prior, Jim spent 20 years at the DC DOT where he jump-started the bike program and oversaw development of bike lanes, trails, bike parking, and bike sharing as well as pedestrian improvements and multimodal plans. He holds a master's degree in Public Policy from University of Maryland and an undergraduate degree in political science from Colgate University.

NATHAN SHAY, PE, AICP
SOLUTIONS ENGINEER, STREETLIGHT,
A JACOBS COMPANY

Nathan is a Licensed Engineer, Certified Planner, and a Level 2 certified Road Safety Professional in infrastructure. He built expertise in transportation planning and traffic engineering before joining StreetLight. Data-driven decision-making has always been at the core of Nathan's work, which has included travel demand modeling, data-driven safety studies, corridor studies, and congestion analysis. Now, Nathan gets to spread his passion for data by helping transportation planners and engineers integrate StreetLight's metrics into their processes to make the transportation industry more efficient, equitable, and data-driven.

BROOKE STRUVE, P.E.
SENIOR SAFETY AND DESIGN ENGINEER, FEDERAL
HIGHWAY ADMINISTRATION (FHWA)

Brooke is a Senior Safety and Design Engineer for FHWA's Resource Center. She provides technical assistance and training nationwide on design flexibility, complete streets, and designing for the safety of pedestrians and bicyclists. Brooke has worked in FHWA's Offices of Infrastructure and Eastern Federal Lands and for Utah DOT, providing design guidance and leading the development and design of projects ranging from low-volume recreational roads to urban arterials and freeways. Brooke has a B.S. in Civil Engineering from Brigham Young University.

PLENARY SPEAKERS

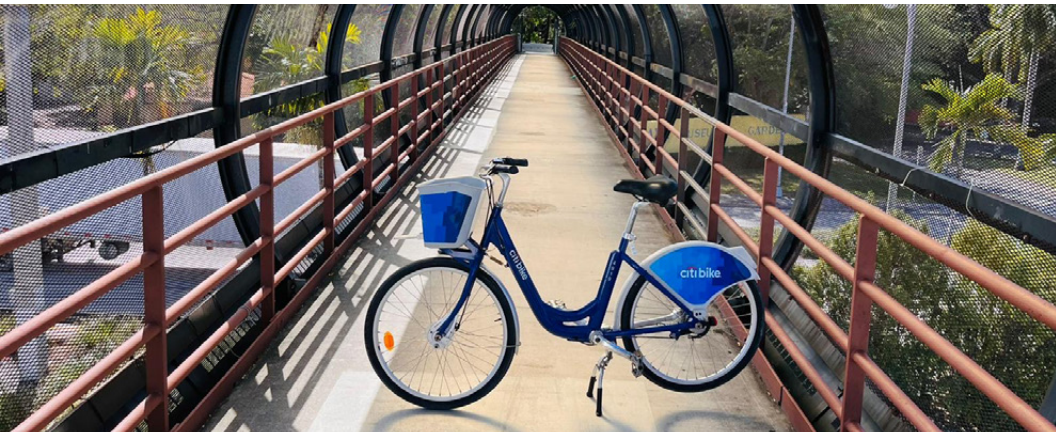

MICHELINA “MICKEY” WITTE, PHD BIKESAFE MANAGER, UM UHEALTH KIDZ NEUROSCIENCE CENTER

Dr. Witte earned her Ph.D. in Neuroscience and her M.S. in Psychology from FSU. She began neurotrauma prevention research as the UHealth BikeSafe Manager at the KiDZ Neuroscience Center, on the UM medical campus. She also teaches in the Kinesiology and Sport Sciences Department on the UM Coral Gables campus. Dr. Witte has published several scientific journal articles and has presented at scientific societies. Outside of academia, she is a competitive amateur triathlete and a passionate road safety advocate.

DANA YANOCHA SENIOR RESEARCH MANAGER, INSTITUTE FOR TRANSPORTATION AND DEVELOPMENT POLICY (ITDP)

Based in Washington, DC, Dana tracks trends in sustainable transportation and oversees a portfolio of strategic research focused primarily on cycling, bikeshare, and parking. She has led the development of key ITDP publications including the 2018 Bikeshare Planning Guide, Taming Traffic, and several policy briefs including Making the Economic Case for Cycling. Dana manages ITDP's Cycling Cities campaign, launched in 2021 and brings together a global coalition of organizations to call for 25 million more people near safe cycle lanes by 2025.

PEOPLE'S CHOICE AWARD FOR BEST PROJECT

PROJECT 1 BIKE LANES ON SW 64 STREET CITY OF SOUTH MIAMI

New protected bike lanes along SW 64th Street connect South Miami to Ludlam Trail, closing connectivity gaps and enhancing mobility. Aligned with the City's transportation plan, these lanes prioritize bike infrastructure, supporting economic development and positioning South Miami as a hub for sustainable commuting.

PROJECT 2 BRANT BRIDGE CITY OF DELRAY BEACH AND CITY OF BOCA RATON

Brant Bridge enhances connectivity between Delray Beach and Boca Raton with improved sidewalks and lighting. Funded by Palm Beach TPA, this collaboration with FDOT District Six signifies regional cooperation, transforming infrastructure for community vibrancy.

PROJECT 3 CICLOVIA CITY OF MIAMI GARDENS

Miami Gardens embraces car-free spaces with its Ciclovía initiative, revitalizing streets for physical activity and social connections. Beyond exercise, it promotes economic vitality for local businesses, setting a blueprint for healthier, more connected urban living.

PEOPLE'S CHOICE AWARD FOR BEST PROJECT

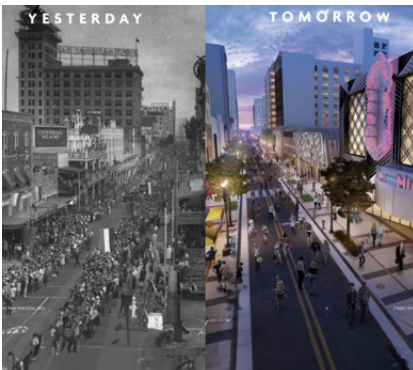

PROJECT 4 DILLMAN TRAIL CITY OF GREENACRES

Greenacres' Dillman Trail, a 3/4 mile shared-use path, enhances connectivity for safe walking and biking. A collaborative effort with Palm Beach TPA and FDOT District Four, this project showcases the power of local partnerships, promoting a healthier, active lifestyle.

PROJECT 5 DOWNTOWN ENHANCEMENT TOWN OF LAUDERDALE-BY-THE-SEA

Lauderdale by the Sea's Downtown Enhancement project, funded by an ARPA grant, revitalizes the downtown area with expanded outdoor seating, sidewalks, and lighting. Incorporating resident feedback through public meetings and surveys, the enhanced downtown features promote economic development while preserving small-town charm.

PROJECT 6 DOWNTOWN FLAGLER STREET BEAUTIFICATION, CITY OF MIAMI

The Flagler Street Beautification project transformed Miami's historic corridor into a vibrant boulevard, prioritizing the pedestrian experience and economic growth. Completed sections feature patterned pavers, wider sidewalks, and upgraded drainage systems, fostering community gatherings and a renewed sense of identity.

PEOPLE'S CHOICE AWARD FOR BEST PROJECT

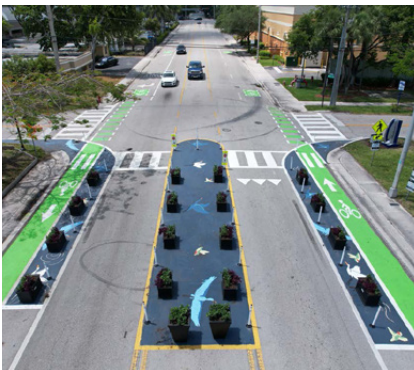

PROJECT 7 FORT LAUDERDALE MOBILITY HUB

Fort Lauderdale's Mobility Hub, funded by Broward MPO, redefines transit connectivity with first/last mile solutions and Complete Streets improvements. This efficient project, integrating bike lanes and ADA improvements, showcases the City's commitment to sustainable, accessible urban living.

PROJECT 8 HOLLYWOOD MOBILITY HUB

The City of Hollywood and Broward MPO collaborated on the 441/SR-7 Mobility Hub, addressing historical underserved communities with safety improvements and multimodal connections. This transformative project reflects a collective vision for inclusive urban planning and healthier communities.

PROJECT 9 NE 15 AVENUE TACTICAL URBANISM PROJECT

The NE 15th Avenue project in Fort Lauderdale addresses safety and traffic concerns through lane elimination via a Broward MPO tactical urbanism grant. Guided by community preferences, this project signifies the positive impact of community involvement in creating safer, accessible streets.

PEOPLE'S CHOICE AWARD FOR BEST PROJECT

PROJECT 10 NE 3 AVENUE TACTICAL URBANISM PROJECT

Better at TEDDER project in Deerfield Beach showcases intergovernmental and community collaboration by repurposing a lane for a buffered bike lane. This week-long intervention, guided by community preferences, realizes a safer, more vibrant corridor, emphasizing the power of partnerships in responsive, community-driven improvements.

TRAFFIC CALMING STUDY
YOUR INPUT MATTERS!

Are you concerned about speeding and cut-through traffic in your neighborhood? Do you want to make your streets safer for pedestrians, cyclists, and children?

The City of North Miami is conducting a comprehensive study to identify and address operational issues related to cut-through and speeding traffic in our city.

Please take a few minutes to share your concerns and suggestions by visiting the following link:

www.northmiamigov/1150/Traffic-Calming-Study

PROJECT 11 TRAFFIC CALMING STUDY CITY OF NORTH MIAMI

North Miami's commitment to safer streets includes raised intersections and speed tables, enhancing pedestrian safety and promoting active transportation. With extensive community engagement and educational campaigns, North Miami sets a standard for inclusive, vibrant streets.

PROJECT 12 WESTON ROAD MOBILITY PROJECT FDOT DISTRICT FOUR

The Weston Road Mobility Project in Broward County showcases Complete Streets by integrating green bike lanes and keyholes for urban mobility. Community engagement, including the Weston Bicycle Alliance, played a pivotal role, symbolizing improved infrastructure and community collaboration.

Our Mission

The Miami-Dade Department of Transportation and Public Works (DTPW) develops, coordinates, and operates the County's transportation networks with the goal of creating a safer, more resilient, connected, and sustainable community for our residents, businesses, and visitors.

Miami-Dade County's VISION ZERO Program is the County's key safety initiative, representing a systematic approach to the planning and implementation of transportation safety countermeasures, supported by policies focused on reducing, and ultimately eliminating, traffic fatalities and serious injuries by 2040. Vision Zero is a critical component of the Mayor's and DTPW's goal to make Miami-Dade County streets safe for everyone – no matter where people live, no matter their income, or choice to walk, bike, drive or take public transportation.

SW 27 Avenue from Bayshore Drive to US1

VISION ZERO MILESTONES IN 2023

ROAD TO ZERO GRANT: DTPW received a grant of \$150,000 from the National Safety Council to develop a Vision Zero Dashboard and conduct a Local Community Liaison Pilot Project.

HIGHWAY SAFETY IMPROVEMENT PROGRAM (HSIP) GRANT: DTPW received an HSIP Federal grant to fund 3 Vision Zero Implementation Projects.

SAFE STREETS AND ROADS FOR ALL (SS4A) GRANT: DTPW received a Federal grant for \$16.2 Million to fund 24 Vision Zero safety projects and additional safety planning activities.

VISION ZERO OUTREACH: DTPW conducted a total of 55 outreach events throughout the county to introduce the Vision Zero Program. Nearly three-quarters of these events were held in equity districts.

VISION ZERO ACTION PLAN UPDATE: The Vision Zero Action Plan was updated to refine the Countywide High Injury Network (HIN) to prioritize Vision Zero funding to eliminate fatal and serious injury crashes while addressing equity in historically underserved communities.

VISION ZERO OUTREACH

Between August 2022 and November 2023, DTPW's Vision Zero Team participated in **55 outreach events**, including the solemn **World Day of Remembrance** to promote greater awareness of road safety. Officials also staffed the **2023 Miami Book Fair** and other major gatherings. DTPW received a **Road to Zero Grant** to fund the development of a community liaison outreach pilot program, focused on providing education and assessing user behaviors/comfort level in priority neighborhoods where Vision Zero projects were recently installed.

SOUTH FLORIDA COMMUTER SERVICES

Established under Chapter 341, F.S., South Florida Commuter Services is FDOT's official Transportation Demand Management (TDM) program for District 4 and District 6. TDM is a set of strategies designed to help reduce congestion through the promotion of travel choices to the public, thus reducing SOV trips.

Structure

Continuous daily operation (M-F) carrying out multimedia and grassroots marketing, customer support, and planning. The database of registered customers is over 50k and growing.

Key Services

- Promoting and processing Guaranteed Ride Home trips
- Promoting and managing toll-free use of 95 Express Lanes
- Promoting Express Coach premium transit service
