

Miami-Dade **TP**  Task Force
SMART Street Transportation Enhancements Program
SMART STEP

PALM DRIVE/SW 344TH STREET & SOUTH DADE TRANSITWAY – FLORIDA CITY, FL

TPO TASK FORCE MISSION

The Miami-Dade Transportation Planning Organization (TPO) Urban & Non-Urban Mobility Task Forces were created to focus on addressing bicycle and pedestrian mobility challenges in Miami-Dade County. As a result, the **SMART Street Transportation Enhancements Program (STEP)** was created to facilitate interagency coordination, innovation, and accelerated implementation of pedestrian and bicycle improvement projects that increase connectivity and enhance safety. The Miami-Dade TPO is working collaboratively with the Miami-Dade County Department of Transportation and Public Works (DTPW), Florida Department of Transportation District Six (FDOT D6), Miami-Dade County Parks, Recreation and Open Spaces (PROS), and municipalities to implement these SMART STEP projects countywide.
